COORDINATOR BOARD RETREAT

We started the school year out with new coordinator board members traveling to their first retreat together. The new coordinator board has new and returning members. With the retreat new and old members were able to bond and start the school year with the magic of Kesem. At the retreat our coordinators strategized how to work more effectively together and brainstorm future events. We played Ga Ga ball and many other games and ate tons of s'mores. We're excited to take on the new school year and bring new events to help spread the magic of Kesem!

SOONERTHON ON THE LAWN

Our Coordinator Board tabled at "Soonerthon on the Lawn" on 10/19. The event was on our south oval on campus and was for the Soonerthon miracle children. It was a huge success for both Soonerthon and Kesem. Many interested potential counselors gave us their information and we put on a fun game for the miracle children!

FRIENDS & FAMILY DAY

We are excited to see everyone at our Fall Family & Friends Day. The event is at Elevation Trampoline park in Moore and will take place from 12-2pm. There will be jumping, an activity in a party room, and a whole lot of fun!
